

Sex... a topic you can't escape in today's youth culture. And yet, we often lack the tools and resources to address it well. **How can you speak honestly about God's plan for sex and reverse the meet-up, hook-up, break-up mindset of today?**

Silver Ring Thing is a ministry that defies the norms of culture and speaks honestly to teens about dating, relationships, pornography and God's plan for sex. Through a high-impact event of comedy, drama, music, videos and testimonies, SRT shows teens that purity is much more than waiting until a wedding day. **It's a commitment to persevere, a pursuit of freedom** that enables you to embrace healthy relationships free of confusion, brokenness and pain. It is keeping your mind, body and spirit focused on Jesus and pursuing a life that honors him. **It's an inspiring message that promotes real and lasting change.**

We are hosting an event at Southwest MS Community College, MS on Wednesday, January 24 @ 7 pm. The theme for the tour is "EXPLICIT TRUTH – Leaving nothing merely implied." Our team of teens and young adults takes on the confusion and brokenness which comes from compromise to pave a way for hope and healing. If we're willing to listen, God makes clear his plan for relationships, sexuality, identity and so much more. With boldness and transparency, the Explicit Truth Tour will tackle the tough issues to combat confusion with clarity and help pave the way to hope and healing. This goes way beyond 'waiting until marriage' to embrace who you are and what you were created to do.

Included with this event is a separate **Parent Session** which informs parents about the real attitudes and behaviors of today's youth culture and how you can best support their child's commitment to purity. **87% of teens say it would be easier to postpone sexual activity and avoid teen pregnancy if they were able to have more open, honest conversations with their parents.** This session offers timeless answers and foundational truths for parents who want the best for their kids.

Parent Session topics include:

- The role of parents in the abstinence decision
- The news you haven't heard
- Debunking the 'Safe-sex' myth
- 8 key things every parent should do... and so much more!
